Homefields is an award-winning non-profit organization dedicated to creating new life options for people who have disabilities. A modern ranch and 1800s farmhouse are the homes, and a 28-acre farm is the stage. Homefields Care Farm (the longest-running CSA in the County) has provided over 300 varieties of fresh fruit and vegetables to families for over 20 years. Six adults with IDD's call us "Home".
