The Lancaster-Lebanon chapter of the Pennsylvania Association of School Business Officials (PASBO) created the Joseph Kurjiaka Memorial Scholarship Fund in memory of one of its members who passed away unexpectedly at the age of 47.

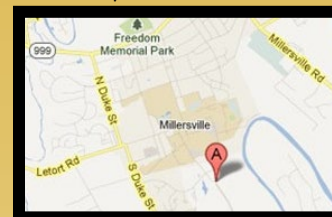

Joe began his career as an auditor with the Department of Education, but soon accepted a position as the Business Manager of the Columbia Borough School District. He later became the Chief Operating Officer for the Manheim Township School District. While this position demanded a tremendous amount of his time, his passion for education led him to serve as a board member for the Hempfield School District.

Joe's expertise extended to every school district within Lancaster and Lebanon counties. He willingly shared his knowledge on complex issues with fellow business managers while attending chapter meetings, serving on boards of insurance pools, or volunteering to chair a special task force. He was never too busy to take a call from a colleague to lend an ear, offer advice, or pass along a word of encouragement. Joe was both the consummate professional as well as a loyal friend to all who were blessed to know him.

The scholarship was established to honor Joe, his work ethic, his dedication to public education, and to support the next generation of young adults pursuing a career in education either in the classroom or in the business of education. It also selects a student who will follow in Joe's footsteps by attending his alma mater, Penn State University.

If you have any question regarding the scholarship or golf outing, please contact John Bowden, 717-768-5533.
